2011 ENERGY SAVER™ FIREPLACE RETAIL PRICE LIST

Intelligent fireplaces by Rinnai, the global leader in gas appliances. Using the same innovative technology developed for the award winning Tankless Water Heaters and Direct Vent Wall Furnaces, Rinnai has redefined the gas fireplace. Rinnai now offers extended venting up to 33', with 3 elbows, with the use of the 3CGRFA adapter and Metal-Fab Corr/Guard venting (venting available from Metal-Fab).

RINNAI ENERGYSAVER™ INTELLIGENT FIREPLACES

- High efficiency - up to 83% AFUE*
- Flexible installation
- Quiet Operation
- 7-stage thermostatic modulation with 60% turn down
- Direct-vent with integrated power vent system
- Zero-clearance installation
- ETR**A** Model Only – vent runs up to 33' including downward with Metal-Fab Corr/Guard venting

PARTS INCLUDED

- Operation and Installation Manual
- Condensate Tray
- Remote Control, Holder and AAA Batteries (2)
