FIRETABLES**

Homeowners all over the country have come to realize the allure of fire in their backyards. American Fyre Designs™ fireplaces, firetables, fire bowls and fire urns are available in a variety of styles, colors and textures to complement any décor. Each product is crafted from innovative glass fiber reinforced concrete (GFRC). GFRC derives its strength from alkali-resistant glass fiber and acrylic polymer that results in durable concrete to withstand the outdoor elements. Modular construction make these easy-to-assemble components fit readily into most backyards.
