Dealer Minimum Advertised Price (MAP) Policy

Summary Document

DISCLAIMER:

This document is only a SUMMARY of the Napoleon Minimum Advertised Price (MAP) Policy. The MAP Policy is located in the MyNapoleon Dealer Portal or it can be requested directly from the MAP Policy Administrator.

The Minimum Advertised Price (MAP) for all Napoleon products shall be no less than the Manufacturer's Suggested Retail Price (MSRP)

MINIMUM ADVERTISED PRICE POLICY APPLIES TO:

- All forms of trade, public and consumer advertising, including the internet
- All dealers / retailers that sell direct to consumers
- All dealers in Canada and the United States
- All Wolf Steel Brands
- All Napoleon Products listed in current Price Books

A RESELLER WILL VIOLATE THE MAP POLICY BY:

- Advertising a price that is lower than the relevant MSRP/MAP
- Advertising a percentage reduction from a reference price that results in a price lower than the relevant MSRP/MAP
- Using such website features, but not inclusive to, as 'click for price', automated pricing emails, automated price displays that show price lower than MSRP/MAP
- Using website statements such as, but not inclusive to, 'Call for Price', 'email for best price'

- Bundling the Company's products that are lower than the sum of each MAP for the relevant product
- Using strike-through or other alteration of the advertised text that indicates a price lower than MSRP/MAP
- Advertising on auction websites (such as Ebay.com), classified websites (such as Kijiji.com), Walmart and Sears.com

EXCLUSIONS:

- This Policy only sets forth suggested advertised prices and does not apply to the price at which the products are sold or offered for sale
- Offering 'free shipping' and 'free financing' by the Reseller is allowed at point of sale of Napoleon products
- Website discounts applied at checkout to the entire order based on consumer loyalty/history with Reseller, such as discounts for 'frequent shoppers' is acceptable
- Products marked in the Price Books, as 'Going Obsolete' or 'While Supplies Last' is not applicable to the Policy

Dealer Minimum Advertised Price (MAP) Policy

ENFORCEMENT:

1st Violation: A first violation will have occurred when the Dealer violates the Policy for the first time in a 12-month period. The Dealer will have **24 hours to comply with the MAP Policy** from the date of the notification before the infraction is considered a second (2nd) violation.

2nd Violation: A second violation will have occurred when the Dealer violates the Policy within a 12-month period from the date of the 1st violation. The Dealer will have **24 hours to comply with the MAP Policy** from the date of the 2nd notification before the infraction is considered a third (3rd) violation.

A second violation **will result** in:

- Ineligibility to participate in Napoleon advertising and sales promotions for the period the violation remains uncorrected
- Loss of access to any discounts, coop or rebates offered by Napoleon for the period the violation remains uncorrected
- Removal from all Napoleon website dealer locators for the period the violation remains uncorrected

3rd Violation: A third violation will have occurred when the Reseller violates the Policy within a 12-month period from the date of the 1st violation. The Dealer will have **24 hours to comply with the MAP Policy** from the date of the 3rd notification before the infraction is considered a fourth (4th) violation.

A third violation **will result** in:

- Loss of any discounts, coop or rebates offered by Napoleon for a period of 12 months
- Limited access to some or all of Napoleon's products until the dealer has remedied
- Being added to the Do-Not-Sell list for some or all of Napoleon's products until dealer has remedied

4th Violation: A fourth violation will have occurred when the Dealer violates the Policy within a 12-month period from the date of the 1st violation.

A fourth violation will result in:

- Limited access to some or all of Napoleon's products for an indefinite period
- Being added to Napoleon's Do-Not-Sell list for an indefinite period

Napoleon's sales personnel, representatives or Dealers (including distributors and wholesalers) have no authority to modify or grant exceptions to the MAP policy.

All questions and comments regarding the Policy should be directed to the 'Policy Administrator'. The Policy Administrator shall be responsible for determining whether a violation of this policy has occurred.
