PATIO COMFORT ELEMENTS

This outdoor kitchen has it all. Design and build your dream outdoor kitchen in 3 easy steps!

Each island we build is framed out with strong, yet light-weight, non-corrosive welded aluminum tubing, clad with a durable powder-coated finish of your choice and then topped with one of our five luxurious granite options.

Step 1: Select your size and configuration

- 5' Island with storage \$2,149 MSRP
- 7' Island with fridge and storage \$2,875 MSRP
- 7' Island with trash drawer and storage \$2,875 MSRP
- Custom size & configuration \$ See RMI Rep

Each Grill Island comes standard with stainless steel leveling feet, aluminum floor pan, vent & GFI receptacle box.

**Appliances and other components not included*

Step 2: Choose your base finish color

Brown Rust

Textured Black

Suede Speckle

Step 3: Choose your granite top

Dallas White

Luna Pearl

Verona

Santa Cecilia

Ubatuba

Granite top is 1-1/8" thick. Natural stone varies and may differ slightly in color and pattern.

Patio Comfort Elements is a family-owned business with the goal of delivering quality products for the hearth, home and outdoor living spaces along with the commitment of superior customer service.

Our Atlanta-based offices are attached to our warehouse to allow us a hands-on approach throughout all aspects of our product development. We are committed to utilizing high quality materials, skilled craftsmanship and strict quality control to produce our products. Our focus is on continually improving our products and our service to exceed the expectations of those we serve.
