

# HEAT

by AMD Direct

Spring into action and start the outdoor patio fun early.

## DSH

The DSH infrared heater is sleek and fits with both indoor and outdoor designs for environments with low lighting. With a 3 second heat up time, this electric heater is sure to bring comfort quickly and can be either wall, ceiling, or stand mounted - ceiling bracket and mounting stand sold separately.

## DIR Series

With Schott Nextrema® ceramic tinted glass, the DIR series infrared heater combines attractive design with premium performance. This wall-mounted electric heater provides maximum warmth in as little as 6 seconds – go from cold to comfortable with the touch of a remote.

## DIRP

No need for a professional electrician, once mounted, the new plug-in DIR series heaters are safe and easy to use. With the touch of a remote, the Schott Nextrema® ceramic tinted glass heats to maximum warmth within 6 seconds – a premium performance product.

## DLW Series

Available in black or white, the DLW series infrared electric heater offers a slim profile and minimalistic style that blends with any décor. This radiant long-wave electric heater emits no visible light making it ideal for low-light environments and can be ceiling or wall mounted.

## DGR32WNG

Warm your outdoor oasis without taking up patio space with the DGR wall-mounted natural gas heater. Mount from the ceiling or on the wall, whatever way works best for you. This award-winning design will keep your patio heated all season long.

## DGR32PLP

The award-winning design of the DGR portable propane heater will keep you warm wherever you go. Its world-class wind protection rating of 16 km/hr ensures you and your guests feel warm even on the coldest nights.
