

**ME791 TOGGLE VALVE**

Marshall Excelsior quick acting hose end valve features standard or locking device on handle, positive shut-off and maximum flow.

RMI Part No.		Inlet	Outlet	Vent Valve
Without Lock	With Lock			
ME791C	ME792C	1/2"	1/4"	No
ME791CJ	ME792CJ	1/2"	1/4"	Yes
ME791D	ME792D	1/2"	1/2"	No
ME791DJ	ME792DJ	1/2"	1/2"	Yes

**MARSHALL EXCELSIOR TOGGLE VALVE**

- All Stainless Components
- Self Locking Handle
- Stainless Bleed Valve Included

ME810-4

RMI Part No.		Size	Ports	Bleed Valve Installed
Angle	Globe			
ME810-4	ME820-4	1/2"	1	Yes
ME810-6	ME820-6	3/4"	1	Yes
ME810-8	ME820-8	1	1	Yes

**ECONOMY VERSION (GLOBE ONLY)**

RMI Part No.	Size	Ports	Bleed Valve Installed
ME821-4	1/2"	2	No
ME821-6	3/4"	2	No
ME821B-4	1/2"	2	Yes
ME821B-6	3/4"	2	Yes

**SQUIBB TAYLOR HOSE END VALVE**

- Minimum bleed at disconnect .6cc
- Quick jaw version 1/8 turn to connect/disconnect
- All valve have heavy duty handle

RMI Part No.	Description
AL343	Bobtail Hose End Valve
AL364	3/4" x 1 3/4" Quick Jaw
AL363	1" x 1 3/4" Quick Jaw
AL366	1 1/4" x 1 3/4" Quick Jaw

AL343

**MARSHALL EXCELSIOR HOSE END VALVE**

ME800G

- Pressure tested to 600 PSIG
- User friendly handle
- Quick opening and closing action with locking mechanism
- Extremely low gas loss
- All steel and stainless construction

RMI Part No.	Inlet	Outlet
ME800	1"	1 3/4"
ME800WS	With Factory Installed Swivel	
ME800C	Composite Handle	
ME800CWS	Composite with Swivel	
ME800G	Fluted Handle (Rego style)	
ME800GWS	Fluted with Swivel	
ME800EXT	Extended Version	
ME800EXTWS	Extended Version w/Swivel	
ME800-SARK	Stem Assembly Repair Kit	
ME800-LSRK	Lower Seal Repair Kit	

**REGO HOSE END VALVE**

- Operator friendly contoured handle
- Self-locking handle
- Vents less than 1/500th of gallon when connected

RMI Part No.	Description
A7797	1" hose end valve
A7797-50	Repair Kit

## FILLER HOSE ADAPTOR

ME571H

Hose end check adapters which may be left on the tank filler valve in case of valve failure. All models have an integral breakaway feature in case of truck roll away that will leave the check intact on the tank.

ME574

ME571H is a high flow adaptor – up to 86GPM

RMI Part No.	Style	Swivel	Installed Vent
ME570	Compact	No	No
ME571	Tall	Yes	No
ME572	Compact	Yes	No
ME574	Tall	Yes	Yes
ME571H*	Tall	Yes	No

## EXTENDED FILL ADAPTORS FOR U/G TANKS

- 7" Extension
- Eliminates unsafe stacking of multiple checks
- Integral break-a-way feature

ME572EXTHD

ME574EXT

RMI Part No.	Description
ME572EXT	Standard Handle
ME572EXTHD	Heavy Duty Handle
ME574EXT	Standard Handle w/Bleeder
ME574EXTHD	Heavy Duty Handle w/Bleeder

## FLO-MAX FULL FLOW FILL ADAPTOR

- Up to 30% higher flow rates through full port body
- Includes key for shut-off valve

RMI Part No.	Description
ME578	1 3/4" F. Acme Swivel x 1 3/4" M. Acme
ME578-02	Spare Key

## FILLER HOSE ADAPTOR

Intended for the outlet of bobtail truck filling hose. The M570 enables the filling hose to be removed if the filler valve fails to close. Designed for N480 valve, although usable with all brands.

M570

RMI Part No.	Description
M570	1 3/4" ACME adapter for N480
T13098T0012	Replacement Outer Washer
T13103T0012	Replacement Inner Washer
ME570	Non-Swivel
901B	Compact Hose Adapter

901B

## POL FILLER COUPLINGS

Soft Nose POL Coupling for Handtight O-Ring Seal.

ME390

ME388

RMI Part No.	Tank Conn.	Hose Conn.	Length	Type
ME390	POL	1/4" MNPT	6"	Heavy Duty
ME390S	POL	1/4" MNPT	6"	Heavy Duty
M390	POL	1/4" MNPT	6"	Std. Long
M388	POL	1/4" MNPT	2 1/2"	Short

All brass shafts, except ME390S, which has a steel shaft.

## POL FILLER ADAPTOR

Adapts POL filler coupling to 1 3/4" ACME or QCC.

ME392

RMI Part No.	Description
ME568	F POL X 1 3/4" ACME adaptor
ME392	Adaptor FPOL x 1 5/16" QCC
ME394	F POL X 1 5/16" M QCC

## TYPE 1 FILLER COUPLING

RMI Part No.	Description
ME515	1/4" x Type 1 w/knurled handle
ME516	1/4" x Type 1 w/forged handle
ME516S	1/4" x Type 1 w/ss nipple
ME796	Quick fill QCC Fill Adapter

ME516

## TYPE I (QCC) FILLER ADAPTORS

Adapts Type I (QCC 1 5/16") filler coupling to POL, Fork Lift or 1 3/4" ACME valves.

ME393

ME394

ME569

RMI Part No.	Description
ME393	Male QCC x MPOL w/ Hand Wheel
ME394	Male QCC x Female 1 1/4" Fork Lift
ME569	Male QCC x Female 1 3/4" ACME

## LIFT TRUCK FILLER COUPLING

Extended motor fuel filling connector permits fast, easy connection through cylinder collar. Available with F. POL inlet.

MSA-700

RMI Part No.	Inlet	Outlet
MSA-700	1/4" MNPT	1 1/4" ACME M.F.
MSA-700P	F. POL	1 1/4" ACME M.F.
