This document is confidential and is not to be distributed.

Prodigy units ship pre-assembled and do not require assembly.

All Prodigy units and components may not be returned once order has been placed.
Estimated lead time for units is 6-8 weeks FOB from Montigo.

Pricing does not include freight. See size and weight tables for estimated crate dimensions and weights (weight can fluctuate based on a variety of factors including reflective glass panels, media options and power vents.)

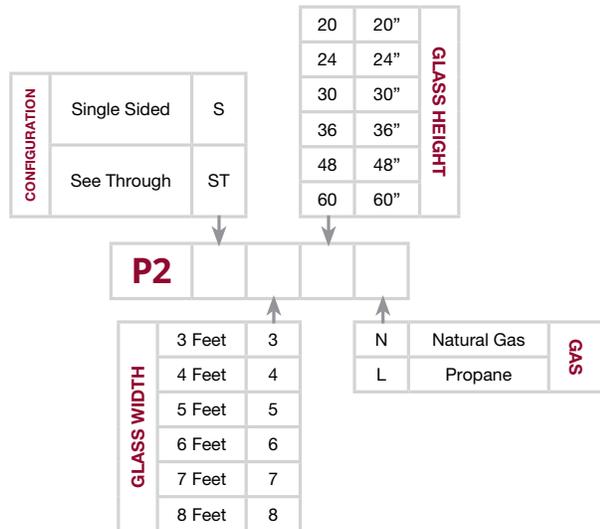

Possession of this price list does not constitute an offer to sell.

This document is for pricing and ordering purposes only. For installation or technical information, refer to the appropriate installation instructions and your local building codes.

Consult your Montigo representative regarding models equipped for use at high altitudes [+4,500ft above sea level].

Shipping weights should be used as a general guideline and may not be exact.
