

The Flexible Venting Solutions Specialist

Z-FLEX®, part of the Novaflex Group of companies, is the leading manufacturer of specialty venting systems for furnaces, boilers, water heaters, oil heaters, fireplaces, and more.

Z-FLEX® has been providing flexible answers to gas oil, pellet and wood venting applications since 1979. We have pioneered flexible chimney liner solutions and special gas vent (AL 29-4C®).*

Constant innovations in materials and construction create products that deliver:

- Superior performance and increased efficiency
- Easier handling and faster, simpler installation
- Greater reliability, safety and increased service life

To that, we add responsive customer service and expert technical support.

The Novaflex Group® is a privately held company committed to continuous advancement in venting solutions. Novaflex® has one of the broadest product ranges available in the marketplace for the HVAC, industrial venting and hose industries. Throughout a more than forty year history, Novaflex® has earned a solid reputation for providing innovative and high quality products.

AL 29-4C® is a registered trademark of ATI Properties, Inc.
