

Technical Training Series

May 2021 Training Dates

May 5, 2021

NFPA Compliance

The NFPA Compliance Course will focus on NFPA #58 and NFPA #54. We will review which codes cover applications and how to use the books. You will be provided examples of real-life situations and use NFPA #58 for classroom activities. (A copy of NFPA #58 will be provided to each student)

Location: Bensalem, PA

Time: 8:00am - 12:00pm

Price: \$50

No Lunch Provided

May 13, 2021

Rinnai Factory Training

This will be a combination class of two product lines. The morning session will cover the Sensei tankless hot water heaters. The afternoon session will cover DV space heaters. Both sessions will review installation, service and troubleshooting. The instructor will disassemble a unit for demonstration. (This is a Non-Certification class)

Location: Bensalem, PA

Time: 8:30am - 4:00pm

Price: \$35

Lunch Provided

May 25, 2021

Navien Factory Training

Tankless hot water heaters will be discussed in this class. NPN non-condensing and the new NPE-A2 will be featured. Focus will be on installation, set up, service and troubleshooting. The instructor will disassemble a unit for demonstration. (This is a Non-Certification class)

Location: Lee, MA

Time: 8:30am - 11:30am

Price: \$25

No Lunch Provided
