

# RMI University April Coffee Talk Sessions

## RMI University Presents:

**April 13, 2021 - 9:00am - 10:00am**

### **Blackmer Compressor Maintenance**

*Factory direct training for proper maintenance of your Blackmer compressor. Discussion on routine daily, monthly and annual inspections as well as tips and guides to properly install and keep your compressor working at its optimal performance.*

**April 27, 2021- 9:00am - 10:00am**

### **Algas/SDI Vaporizer Maintenance**

*Spring and Summer is the time to perform maintenance on your direct fired and electric vaporizers. Algas/SDI will provide information to successfully conduct this task. Do not miss this opportunity to have all your questions answered from the manufacturer to ensure maintenance is completed and your unit continue to operate at peak performance.*

**Please check our website or contact your rep for  
upcoming training and events**
